

# Partner Portal: Tools to Help You Sell

The selling.ivanti.com portal is your primary resource for tools to help you sell Ivanti® supply chain mobility solutions. From pricing information and product training to demo kits and marketing materials, you'll find it all on one convenient site.

## Sales Playbook

Get the latest on how to position and sell the entire supply chain mobility portfolio.

## Product Training

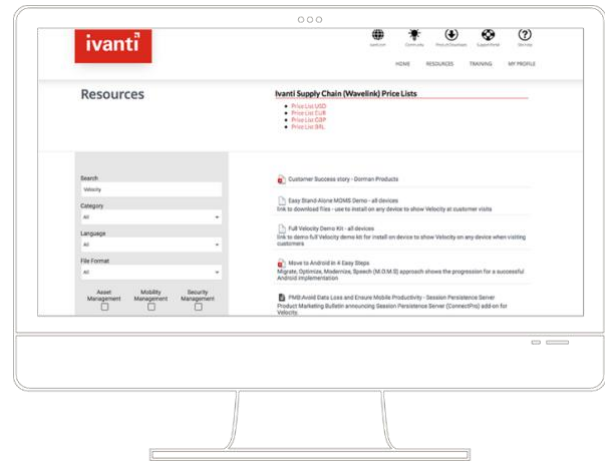

Learn the latest product features and meet annual training requirements with our live and recorded online trainings.

## Helpful Links

One-click access to the Wavelink and Naurtech online stores. Plus, easily hop to the Software Downloads, Community, and even the Ivanti supply chain blog.

## Demo Kits

Everything you need to install and configure demonstrations for products like Velocity.

## Price Guides

Access the latest part numbers and pricing, available in several major currencies.

## Campaign Starter Kits

Start promoting Ivanti products to your prospects – HTML emails, campaign assets and more!

## Co-branded content

If your company logo and contact info is associated with your user profile, “co-branded” PDFs will download with your contact details included.
